

## Veterans Home - Chippewa Falls

Veterans Home Updates 9.18.2020

Dear Family & Friends –

Today, I want to thank you for being a member of our Veterans Home family. Each one of our members and their family members are an integral part of what makes life at the Veterans Home so special. Thank you for allowing us to provide your loved one with care and service.

### **Covid Updates:**

Your family's willingness to follow our preventative measures during this pandemic has helped protect our community. I am happy to report we continue to have zero diagnosed COVID-19 cases among members and staff.

Please know we're taking every action possible to protect the Veterans Home members and staff and following guidance from federal, state, and local health officials.

This week, we started our routine testing of all staff again. We will continue to conduct the routine test as directed by the federal government. In addition, our staff will also be receiving additional training from the federal government on best-practices related to keeping our members safe.

### **Weekend Gazebo Gatherings:**

Next, we are able to open up reservations for weekend Gazebo Gatherings on the weekend of September 26th and 27th. Please call the receptionist to make those reservations. She will let you know the time slots available.

As a reminder, only those 2 people who are pre-screened for symptoms can attend each gazebo gathering. Others will need to make another reservation at a later date.

### **Feedback:**

Finally, as a valued member of our Veterans Home family, we warmly welcome your questions and comments. The feedback we receive helps us address your concerns and motivates us to continue to step-up to the challenges brought before us. Please do not hesitate to contact us.

Thank you and have a great weekend!

A handwritten signature in black ink, appearing to read "Megan".
